

Why don't you **Just behave!**

*Telling people what to do doesn't work.
So how do we create the right conditions for change?*

Change Magazine: Why don't you just behave?

Telling people what to do doesn't work. So how do we create the right conditions for change?

Will Social & Behaviour Change, change the world? What is it anyway? Is it all just name changes and serenading? Find out, *click below to download the PDF magazine:*

The magazine *all about SBC*

WHAT'S INSIDE:

What if we did things differently?

Preparing for the apocalypse?

Consider *Stockpiling Trust* pg.83

+ MUCH MORE!

Magazine Bonus Content:

Caption contest entries: runners up and honourable mentions

We enlisted the creative genius of UNICEF's SBC Network to submit captions for what this poster is saying to its therapist.

Where are They Now? *SBC's* *missing 'C'*

Caption contest runners-up
and honourable mentions. To
view the winner, see page 19
of the magazine!

*"Are you sure that I'm experiencing
in-poster syndrome, doc?"*

SUBMITTED BY **ANAND GURUNG**,
UNICEF

*"I don't know why I still feel so flat, I
have a QR code and everything"*

Submitted by **Jim O'Neill**,
Common Thread

*"Doc, just like your prescription, no one
understands what I am trying to say"*

Submitted by **Rudrajit Das**,
UNICEF

*"Doc I just don't know - am I defining the
brand, or is the brand defining me?!"*

Submitted by **Tania Dhakhwa**,
UNICEF

*Are these 'system strengthening approaches'
in the room with us now*

Submitted by **Ukasha Ramli**,
UNICEF

When Kids Worry about the Future, They Can't Think about Their Futures

A **huge thank you** to all students and teachers who submitted this amazing collection to be part of UNICEF SBC's Change Magazine!
